

**PERU ELEMENTARY SCHOOL DISTRICT 124 BOARD OF EDUCATION
BUILDING AND GROUNDS COMMITTEE MEETING MINUTES
PARKSIDE MIDDLE SCHOOL
TUESDAY, SEPTEMBER 17, 2024, 1:00 P.M.**

Present: Simon Kampwerth, Josanne Bruins and Patti Leynaud

Others Present: Jamie Craven and Megan Baltikauski

The meeting was called to order by Chairperson Simon Kampwerth at 1:00 p.m.

- Mr. Craven led a discussion of a potential addition at Northview as the need for space is a growing concern. The expansion of a preschool program, life skills and autism program has contributed to the growing population at Northview. Financing this project is undecided as the City has declined the District's request to continue the current sales tax agreement to fund this potential project. The committee agrees to the idea of a tentative timeline to host informational meetings to present to the public to show the need for an addition, as the last renovation was in 2015.
- All summer projects are completed except for the Northview Door Project. Key Builders Construction Inc. has relayed that three doors are still being manufactured and has delayed the project timeline. Once the doors are installed, all will be painted at one time.

Adjournment

The committee adjourned at 1:48 p.m.
