

SENSORY FRIENDLY NIGHT

Wednesday, June 5

7:05 pm

Schweickert Stadium

The volume and amount of announcements and music played over the stadium's sound system will be lowered from 6:30 PM until the end of the 2nd Inning.

A designated safe space down the left field line will be available for anyone who may need it.

Our mascot, SouthClaw Sam, will wait for fans to approach rather than actively seeking out fans, and specialty sensory-friendly signage will be posted for the night around the stadium.

REGISTER HERE:

The night will also include special giveaways for our guests and our fans! We want your school/organization to join us. Use the QR Code below for more information and to let us know you are coming!
